Pathway Esports

Channel your students’ passion for gaming into college and career opportunities. With the Pathway Esports™ toolkit, students and schools will have everything they need to start and run their very own esports team and compete in exciting and dynamic tournaments.

Grades: 6 - 12

OUR COMPLETE TOOLKIT INCLUDES:

- A complete starter kit for new coaches as well as a deep toolbox for veterans to help their teams compete at the highest levels
- College scholarship guidance and resources (yes, there are SCORES of college scholarships available!)
- Academic learning modules that develop career awareness, technology skills, and computer literacy
- Health and gaming safety protocols
- Game-based strategies created by top-ranked esports athletes that will help elevate all players to the next level of their abilities
- Equity-based educational practices that foster diversity and inclusion for all races, genders, and ethnicities
